

# odetowine

Drinking wine with good food in good company  
is one of life's most civilised pleasures.

Michel Broadbent

A bottle of wine begs to be shared;  
I have never met a miserly wine lover.

Clifton Fadiman

Age is just a number. It's totally irrelevant unless,  
of course, you happen to be a bottle of wine.

Joan Collins

Wine is bottled poetry.

Robert Louis Stevenson

Wine makes every meal an occasion, every  
table more elegant, every day more civilised.

André Simon

A bottle of wine contains more philosophy  
than all the books in the world.

Louis Pasteur

Wine is as good as life to a man, if it be drunk moderately.

What is life then to a man who is without wine?

For it was made to make men glad.

Ecclesiasticus

Wine is the most civilised thing in the world.

Ernest Hemingway

I can certainly see you know your wine.  
Most of the guests who stay here wouldn't  
know the difference between Bordeaux and Claret.

Basil Fawlty (John Cleese) in Fawlty Towers
